

Membership

CEOnetworking membership is an excellent business investment! Access to the business expertise of the parnters and other members provides substantial savings over traditional outsourced consultants and seminars.

Benefits of membership include:

- Access to other CEOs collective experience and opportunities in exchange for sharing your personal expertise
- Access to the expertise and opportunities of the partners, associate partners, and sponsors
- Ability to discuss business/management issues and brain-storm ideas with 6-10 CEOs monthly
- 3 hours of 1x1 coaching/consulting per quarter provided by a partner or associate partner
- Opportunity to make a funding pitch to a small group of CEOs and receive valuable constructive feedback from your peers
- No matter what we say, the best way to understand your specific benefits from CEOnetworking, is to experience it. Please sign-up to test-drive one of our meetings: www.CEOnetworking.com/testdrive

Connecting Experience & Opportunities
 21265 Stevens Creek Blvd., Suite 205
 Cupertino, CA 95014

Connecting Experience & Opportunities

CEOnetworking provides an environment where CEOs benefit from the combined knowledge and experiences of their peers and our partners with opinions, advice, & contacts on issues effecting their business.

Establish lasting relationships with other CEOs

CEOnetworking allows CEOs to share their unique talents with other CEOs to help their companies grow and prosper. From start-ups to large companies, CEOs establish lasting relationships that benefit individual CEOs and their companies.

In addition to the benefits provided by sharing with other CEOs, the partners, associate partners, and sponsors provide an invaluable source of knowledge, experience and connections.

In these difficult business times, it's even more essential to have access to other company leaders and the support of CEOnetworking partners with their years of experience and specific areas of expertise.

Discover the benefits of connecting with other leaders in Silicon Valley. You'll find there's no better resource than another CEO or a network of CEOs.

How does it work?

CEOnetworking holds half-day monthly meetings of small work groups to discuss executive management issues. These issues include such topics as funding, strategic partnerships, business strategies, engineering issues, marketing opportunities and difficult management challenges. Partners facilitate and actively participate in meetings providing an environment for idea sharing among chief executives.

How do I join?

CEOnetworking membership is open to all CEOs, Presidents, Business Owners, General Managers and executives with P&L responsibilities.

If you're interested in more information, would like to apply for membership, or to test-drive one of our meetings, please contact us or visit our Web site at www.CEOnetworking.com.

Small groups allow all members to receive maximum benefits.

Partners' Bios

THOMAS G. HONG has a BSEE, MSEE, and over 25 years of executive management experience in computer and network businesses. A serial entrepreneur, Thomas, has raised over \$15 million in equity, he was the CEO and Principal Founder of several computer peripheral and networking product manufacturing companies including Davong, Tiara Computer Systems, Aquila Communications and Acculan Technologies.
